To Whom It May Concern:

Brian and I have been working on converting our hi-bays fixtures (and other fixtures) to LEDs at one of the large properties that I manage. He spent many hours and days finding the right lamps at the right price to fit my budget. He has also submitted all of the paperwork to ComEd to procure a substantial rebate.

Brian is very knowledgeable and was integral part of this project. I would highly recommend his services.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Doane', written in a cursive style.

Jeff Doane  
Project Facilites Manager
